

Rockwell Automation Announces Platinum System Integrator Partner, RoviSys, to its PartnerNetwork™

By RoviSys on Thursday, November 10, 2022

Rockwell Automation Platinum Partnership enables first-rate solutions for business challenges, by leading solution providers in automation and manufacturing.

MILWAUKEE, Wis., November 10, 2022 – Rockwell Automation, Inc. (NYSE: ROK), the world’s largest company dedicated to industrial automation and digital transformation, today announced that RoviSys has been designated a Platinum System Integrator Partner as part of the PartnerNetwork Program. RoviSys is an independent automation and information solutions integrator, delivering process and building automation design, delivery, and support globally.

The program offers opportunities to expand and maximize integration skills, recognize and reward performance, and connect businesses with system integrators that meet project needs and enable mutual success. As a Platinum System Integrator Partner, RoviSys will receive enhanced recognition with customers and leading-edge access to Rockwell Automation product and technical support.

“Platinum status is achieved by invite only and is the highest level of partnership within the Rockwell Automation System Integrator Partner Program. It is an exclusive recognition reserved for less than 1% of our partners and we are proud to welcome RoviSys into this designation,” said Don Shoemaker, Regional Vice President, North America Market Access, Rockwell Automation.

With a customer-first mentality, RoviSys has extensive project experience delivering thousands of projects over the last five years with a diverse range of capabilities across 12 locations in North America, Europe, and Asia Pacific. “The partnership between Rockwell Automation and RoviSys is one that we have truly valued over the years, and we look forward to continuing to grow together,” said Shoemaker.

“Our long-standing partnership has allowed RoviSys to collaborate with Rockwell, and bring industry-leading solutions to customers for over 30 years,” said Dick Ciammaichella, Director of Growth. “This next step into Platinum Partnership positions RoviSys to strategically align customer needs with Rockwell product life cycles. RoviSys delivers 500K+ hours of Rockwell solutions annually, and empowers end users to effectively implement Rockwell solutions that drive automation and digital transformation today and into the future.”
